2.	INFOSYS-Infosys Spark Programme We the students of MRECW CSE&IT 4TH years had an opportunity to visit and gain knowledge from INFOSYS Hyderabad on 27th Of August 2011. INFOSYS is one of the TOP Most software Company in India and it has launched various programs aimed at evolving a model through which an institution can partner for competitiveness, enhance the pool of highly capable talent for grow the industries in India. Now Infosys is launching spark ,an extraordinary program that aims to raise the aspiration levels of nation-wide program will focus on the advances information technology has made , and how students cal learn from it all. Spark os one day program that is design to expose the student to the best in class learning techniques, through this on campus event, students from different age groups segment school to degree and engineering colleges from urban and suburban areas can assess and check and calibrate their aspirations meter. We are sure we can raise the aspirations of the students to a new high by doing the following. 1. Exposing them to IT 2. Helping them understand the relevance of IT in business. 3. Helping the sow the seeds to a dream career This program will bring students and faculty members from an institute on an exclusive best of them the Infosys and Infosys experience. We will demonstrate that it is possible to achieve. We will help the students identify their hidden talents and awaken their potential and excel
